## **NOTICE: CenterPoint Energy to finish “Wayzata - County Roads 101 and 15, T.H. 12” job by late June 2020**

***Text-to-subscribe for updates regarding this construction project by sending  
CNP HWY12 to 468311***

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

***Project Description:*** In 2019, crews from Michels Corporation, CenterPoint Energy’s authorized contractor, replaced natural gas mains and connected service lines to these mains in Wayzata along County Road 101 and Gardner Street E. at Highway 12.

This year CenterPoint Energy’s authorized contractors will resume construction along Wayzata Boulevard E. at County Road 15 (Gleason Lake Road) from March 30 to late June. Michels Corporation will replace natural gas main and connecting natural gas service lines to the new mains. Q3 Contracting will restore the areas affected by Michels Corporation’s work.

***Connecting service lines to the new mains:*** This may include service line replacement and relocating gas meters from inside the home to outside. (The timing of this phase depends on updates related to COVID-19.) Customers will experience a short disruption of gas service as the crews are installing the new gas service line. Crews may have to dig in the ground on your property in the utility easement to complete the task of service and main distribution line replacement.

***Traffic impacts:*** Although no major road closures are anticipated for this work, there will be lane closures with two-way traffic being maintained on Gleason Lake Road at Wayzata Boulevard. Traffic on Highway 12 will not be impeded. Pedestrian traffic crossing Gleason Lake Road at Highway 12 will be detoured temporarily to County Road 101, Luce Line Trail and Vicksburg Lane within the project’s duration.

***How can I contact CenterPoint Energy?*** For more information or to sign up for updates, please visit CenterPoint Energy’s Construction Zone website at [CenterPointEnergy.com/Construction](https://www.centerpointenergy.com/construction). In addition, you can contact one of the following CenterPoint Energy resources. Please reference the “**Wayzata - County Roads 101 and 15, T.H. 12” project** or the number **92380176**:
