NOTICE: CenterPoint Energy to upgrade natural gas pipelines in your neighborhood this summer 2019

June 18, 2019

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

CenterPoint Energy's authorized contractor, Michels Corporation, will be replacing the natural gas system in Wayzata along Highway 12 at County Roads 101 and 15. Parking and lane restrictions are required in areas where construction activity is occurring and is necessary to keep both the public and construction personnel safe. CenterPoint Energy's authorized contractor, Q3 Contracting, will restore the areas affected by our work outside the city construction zone. This may consist of lawn restoration and sidewalk or street restoration as work dictates. CenterPoint Energy's work is being done in coordination with the [Minnesota Department of Transportation](#), the [City of Wayzata](#) and the [Minnehaha Creek Watershed District](#). For more information on the municipalities' projects, please visit their respective websites.

Construction will happen in two parts: **Part 1** will take place at County Road 101 and Highway 12 from June 20 to approx. mid-July 2019. **Part 2** will take place at County Road 15. The start date and duration will be determined between CenterPoint Energy and the municipalities. To learn more about this project or to sign up for construction updates, please visit our Construction Zone website at CenterPointEnergy.com/Construction.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at CenterPointEnergy.com/BeSafe.
