NOTICE: CenterPoint Energy to upgrade natural gas Belt Line system in your neighborhood April – July 2019

*Text-to-subscribe for updates regarding this construction project by sending **CNP GOLDENVALLEY to 468311***

- CenterPoint Energy will begin replacing the natural gas Belt Line system in the Golden Valley neighborhood in the Winnetka Avenue S. area between Western Ave. and Pennsylvania Ave. S. (See the map below.)
- CenterPoint Energy's construction will begin in April 2019 and last until July 2019.
- Lane restrictions and road closures are anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe.
- If any closures are necessary, they will be minimized. Local access will be maintained.
- **More details will be added to CenterPoint Energy's Construction Zone website at CenterPointEnergy.com/Construction closer to the project's start date.**

NOTICE: CenterPoint Energy to upgrade natural gas Belt Line system in your neighborhood April – July 2019

March 22, 2019

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Open House

April 4 from 5:00 p.m. to 7:00 p.m.

Golden Valley City Hall's Council Chambers at 7800 Golden Valley Road

Representatives from CenterPoint Energy and the City of Golden Valley will be present to answer questions.

CenterPoint Energy will be replacing part of the natural gas Belt Line system in Golden Valley from April to July 2019. Project construction will occur in the area of Winnetka Avenue S., Western Avenue, Ewald Terrace, Sumter Avenue, Wayzata Boulevard and Pennsylvania Avenue S. Lane restrictions will be anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe. If any closures are necessary, they will be minimized. Local access will be maintained. To learn more about this project or to sign up for weekly construction updates, please visit our website at CenterPointEnergy.com/Construction.

This project is a continuation of CenterPoint Energy's Belt Line project in Minnesota, which began in 2012 and will continue until approximately 2022. The Belt Line system is a series of natural gas distribution mains along routes from Brooklyn Center to Bloomington and from Golden Valley to Minneapolis. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at CenterPointEnergy.com/BeSafe. In addition, you can contact one of the following CenterPoint Energy resources:

- Information Hotline at csv.constructionservices@centerpointenergy.com or 612-321-5369
- Communications Specialist, Hannah Gullickson, at 612-321-5546
- Restoration Questions at csv.restoration@centerpointenergy.com or 612-321-5042

We appreciate your business and look forward to continuing to serve you.
