Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Where have the crews been so far?

From spring to fall 2020, CenterPoint Energy's authorized contractors have been and will continue to work along Texas Ave. S., Cedar Lake Rd. and Virginia Ave. S. between Wayzata Blvd. and Minnetonka Blvd. Since Phases 1 and 2 are concluding, Phase 3 of 4 will begin in the week of August 10, 2020.

Where will the crews be this summer and fall?

CenterPoint Energy's authorized contractor, Michels Corporation, will perform Phase 3. On Texas Avenue S., the crews will begin work at the north and south ends of the project at I-394 and Minnetonka Boulevard respectively, working toward the middle of the route.

What are the estimated traffic impacts for Wayzata Blvd. and Texas Ave. S.?

From Monday, August 10 to the end of August 2020, the intersection of Texas Avenue S. and Wayzata Boulevard, the south frontage road of I-394, will have staged closures to allow space for the crews to replace the natural gas main. During this time, traffic will be detoured to Cedar Lake Road, Louisiana Avenue, Laurel Avenue and Winnetka Avenue.

From August 10 to Wednesday, August 12, the crews will close westbound traffic on Wayzata Boulevard at Texas Avenue S. During this time, westbound traffic will be detoured to Louisiana Avenue, Laurel Avenue and Winnetka Avenue. From August 12 to the end of August 2020, the crews will close westbound and eastbound traffic on Wayzata Boulevard at Texas Avenue S.

How can I contact CenterPoint Energy?
