## NOTICE: CenterPoint Energy to upgrade natural gas Belt Line system in your neighborhood April - September 2018

*Text-to-subscribe for updates regarding this construction project by sending **CNP GOLDENVALLEY to 468311***

- CenterPoint Energy will begin replacing the natural gas Belt Line system in the Golden Valley neighborhood along the following streets (see the map below):
  - Winnetka Avenue N. and Golden Valley Road intersection
  - Winnetka Avenue N. from 10th Avenue N. to Orkla Drive
  - Rhode Island Avenue N. from 10th Avenue N. to Golden Valley Road
  - Golden Valley Road from Winnetka Avenue N. to Glenwood Parkway
- CenterPoint Energy's construction is expected to begin in April 2018 and will last into Sept. 2018. Frequent updates will be posted on CenterPoint Energy's Construction Zone website.
- Construction will occur in segments along the construction route, rather than all at once, in coordination with Hennepin County and the City of Golden Valley. Lane restrictions and road closures are anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe.
- **For additional information, please visit our Construction Zone website at: [CenterPointEnergy.com/Construction](http://CenterPointEnergy.com/Construction).**

## **NOTICE: CenterPoint Energy to upgrade natural gas Belt Line system in your neighborhood April - September 2018**

March 7, 2018

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities. In coordination with Hennepin County and the City of Golden Valley, CenterPoint Energy will begin replacing the natural gas Belt Line system in Golden Valley in April 2018. Project construction is expected to last into September 2018, and the affected areas are featured on the reverse side of the page. CenterPoint Energy will be installing natural gas mains along the following roads:

- Winnetka Avenue N. and Golden Valley Road intersection
- Winnetka Avenue N. and 10th Avenue N. to Orkla Drive
- Rhode Island Avenue N. from 10th Avenue N. to Golden Valley Road
- Golden Valley Road from Winnetka Avenue N. to Glenwood Parkway

A pre-construction open house will be held in Golden Valley by personnel from CenterPoint Energy, Hennepin County, and representatives from the City of Golden Valley. The open house is open to the public, where questions can be answered regarding the project. **The open house is scheduled for Thursday, March 15, 2018 from 5:00 p.m. to 8:00 p.m. in the Golden Valley Council Chambers at 7800 Golden Valley Road.** CenterPoint Energy's project will happen in segments along the construction route, rather than all at once. Lane restrictions are anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe. This project is a continuation of CenterPoint Energy's Belt Line project in Minnesota, which began in 2012 and will continue until approximately 2021. (The Belt Line system is a series of natural gas distribution mains along routes from Brooklyn Center to Bloomington and from Golden Valley to Minneapolis.) In the 2017 construction season, CenterPoint Energy constructed the "Golden Valley Road and Bassett Creek" project, which occurred along Golden Valley Road from west of Bassett Creek Drive to the Theodore Wirth Golf Course.

Construction will happen in two phases: **Phase 1** consists of installing the natural gas transmission main. **Phase 2** is the restoration of disturbed areas affected by our work outside the county construction zone. This may consist of lawn restoration and sidewalk or street restoration as work dictates. To learn more about this project or to sign up for weekly construction updates, please visit our Construction Zone website at [CenterPointEnergy.com/Construction](http://CenterPointEnergy.com/Construction). CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at [CenterPointEnergy.com/BeSafe](http://CenterPointEnergy.com/BeSafe). In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline at 612-321-5369 or our Communications Specialist, Hannah Gullickson, at 612-321-5546. **Please reference the Golden Valley 2018 Belt Line construction project when calling the Information Hotline.** We appreciate your business and look forward to continuing to serve you.

**CenterPoint Energy**
