

Dear Valued Customer:

In the next few weeks you will see CenterPoint Energy's authorized contractor, Michels Corp., working in your neighborhood. We will be replacing portions of our natural gas system to ensure a reliable and safe natural gas supply to your neighborhood. There is no charge to you for our work during the construction project.

Private Underground Lines

Please mark any private underground lines such as sprinklers, invisible dog fences, drain tile, private wells, septic tank, etc.

For private utility marking examples, please go to CenterPointEnergy.com/Construction

Gas Meter, and Service Line Work:

The gas meter will be moved to the exterior of your home.

The existing gas service line to your property will be replaced.
