NOTICE: CenterPoint Energy to upgrade natural gas Belt Line system in your neighborhood June 5 – early July 2019

*Text-to-subscribe for updates regarding this construction project by sending **CNP GOLDENVALLEY to 468311***

- From Wednesday, June 5, to early July, CenterPoint Energy's authorized contractor, Minnesota Limited, will close Ewald Ter. from Winnetka Ave. N. to Sumter Ave. N. and Sumter Ave. N. from Ewald Ter. to Wayzata Blvd. to through traffic. During this time the crews will be milling the road, installing the natural gas main, and restoring the areas affected by their construction.
- Although parking will be obstructed on both sides of the affected roads, residents can access their driveways. Eastbound and westbound traffic on Ridgeway Rd. and Laurel Ave. will remain open for most of the project's duration. When the crews cross these streets, they will close one street at a time. Each closure will last approximately a few business days. These closures are necessary to keep both the public and construction personnel safe.

NOTICE: CenterPoint Energy to upgrade natural gas Belt Line system in your neighborhood June 5 – early July 2019

May 30, 2019

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

As part of CenterPoint Energy's Golden Valley 2019 Belt Line Project, CenterPoint Energy's authorized contractor, Minnesota Limited, will be performing work along Ewald Ter. from Winnetka Ave. N. to Sumter Ave. N. and Sumter Ave. N. from Ewald Ter. to Wayzata Blvd. Any changes are coordinated between CenterPoint Energy and the City of Golden Valley.

From Wednesday, June 5, to early July, Minnesota Limited will close these roads to through traffic. During this time the crews will be milling the road, installing the natural gas main, and restoring the areas affected by their construction.

Although parking will be obstructed on both sides of the affected roads, residents can access their driveways. Eastbound and westbound traffic on Ridgeway Rd. and Laurel Ave. will remain open for most of the project's duration. When the crews cross these streets, they will close one street at a time. Each closure will last approximately a few business days. These closures are necessary to keep both the public and construction personnel safe.

To sign up for construction updates, please visit our website at CenterPointEnergy.com/Construction. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at CenterPointEnergy.com/BeSafe. In addition, you can contact one of the following CenterPoint Energy resources:

- Communications Specialist, Hannah Gullickson, at 612-321-5546
- Information Hotline at csv.constructionservices@centerpointenergy.com or 612-321-5369
- Restoration Questions at csv.restoration@centerpointenergy.com or 612-321-5042

Please reference the project name or number 80580763 when calling. We appreciate your business and look forward to continuing to serve you.
