NOTICE: CenterPoint Energy to perform routine inspection on transmission pipe along Lake Minnetonka LRT Regional Trail from August 13 to end of September 2018

- As a routine maintenance project, CenterPoint Energy crews will be inspecting CenterPoint Energy's natural gas main within Hennepin County's property and CenterPoint Energy's easement along Lake Minnetonka LRT Regional Trail between Excelsior Boulevard and the bridge leading from Highway 7 to 2nd Street over Lake Minnetonka LRT Regional Trail.
- This work will begin within the week of August 13, 2018, and last until the end of September 2018. The trail will be periodically closed throughout the project. Bicyclists and pedestrians should follow all detour signs.
- **For any questions, you can contact us directly by calling Tyler Swenson, Pipeline Integrity Business Analyst, at 612-321-5275, or Hannah Gullickson, Communication Specialist, at 612-321-5546.**

NOTICE: CenterPoint Energy to perform routine inspection on transmission pipe along Lake Minnetonka LRT Regional Trail from August 13 to end of September 2018

August 10, 2018

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

As a routine maintenance project, CenterPoint Energy crews will be inspecting CenterPoint Energy's natural gas main within Hennepin County's property and CenterPoint Energy's easement along Lake Minnetonka LRT Regional Trail between Excelsior Boulevard and the bridge leading from Highway 7 to 2nd Street over Lake Minnetonka LRT Regional Trail. This work will begin within the week of August 13, 2018, and last until the end of September 2018. The trail will be periodically closed throughout the project. Bicyclists and pedestrians should follow all detour signs.

For any questions, you can contact us directly by calling Tyler Swenson, Pipeline Integrity Business Analyst, at 612-321-5275, or Hannah Gullickson, Communication Specialist, at 612-321-5546.
