CenterPoint Energy's Minnehaha Avenue and 26th Avenue S. natural gas pipeline project

- As a system upgrade project, CenterPoint Energy will be upgrading natural gas pipelines along Minnehaha Avenue and along 26th Avenue S.
- CenterPoint Energy's construction is anticipated to start the week of May 23 and continue through August 2016.
- Please anticipate lane closures, no parking and traffic delays within the scope of CenterPoint Energy's work.
- CenterPoint Energy will be working in conjunction with Hennepin County's closure along Minnehaha Avenue.
- You can contact us directly by calling CenterPoint Energy's Information Hotline: 612-321-5369.
- For additional information or to sign up for periodic email updates, please visit our Construction Zone Website: www.CenterPointEnergy.com/Construction.
- Text-to-subscribe for updates regarding this construction project by sending CNP MINNEHAHA to 468311.

Tentative construction timeline

Week of May 23 – Mid-July:

- Installation of 4-inch plastic pipeline under the west sidewalk from 32nd Street E. to Lake Street E.
- Removal of 1913 16-inch cast iron pipe near the east bike lane.
- Installation of 16-inch steel pipeline near the east bike lane
- Traffic will be maintained in both directions but parking will be closed.

Mid-July - August:

- Installation of 16-inch steel pipeline northwards under the west bike lane, from Lake Street E. to 26th Street E.
- Installation of 16-inch steel pipeline northwards under the east bike lane, from 26th Street E. to 22nd Street E.
- Traffic will be maintained in both directions.
