NOTICE: Limited access at the intersection of Olinger Boulevard and Colonial Way

May 12, 2016

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Beginning Monday, 16, Olinger Boulevard will be closed between Villa Lane and Colonial Way, including the Olinger Boulevard and Colonial Way intersection. This closure is needed as the pipeline construction continues west along Olinger Boulevard. Limited access for residents on Olinger Boulevard will be maintained.

During this limited intersection access, traffic control will be changed to allow access to Colonial Church and The Waters from Tracy Avenue and Highway 62.

To learn more about this project or to sign up for periodic construction updates, please visit our Construction Zone website at: www.CenterPointEnergy.com/Construction. In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline: 612-321-5329.

We appreciate your business and look forward to continuing to serve you.
