NOTICE: CenterPoint Energy to upgrade natural gas pipelines in your neighborhood approx. August 8 – Sept. 10, 2016

July 27, 2016

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Michels Corporation, an authorized CenterPoint Energy contractor, will be installing natural gas pipeline in the Edina/Richfield area on W. 76th Street between York Avenue S. and Thomas Avenue S. (see map for detail). Construction is expected to begin August 8, 2016, and will last approximately five weeks, including restoration. The areas disturbed by our construction activity will be restored in compliance with all federal, state and local regulations.

The affected areas will include the neighborhoods and businesses from W. 74th Street to American Boulevard W., and from York Avenue S. to Penn Avenue S. Please visit our website for status updates to find out estimated dates of completion and the progress of each road.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 140 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas and how to use it safely and efficiently. CenterPoint Energy provides information for you at www.CenterPointEnergy.com/BeSafe.

To learn more about this project or to sign up for periodic construction updates, please visit our Construction Zone website at: www.CenterPointEnergy.com/Construction. In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline: 612-321-5369 or our Communications Specialist, Hannah Gullickson: 612-321-5546. Please reference the Edina East construction project or numbers 71636087 when calling the Information Hotline.

We appreciate your business and look forward to continuing to serve you.
