NOTICE: CenterPoint Energy to Upgrade Natural Gas Pipelines in Your Neighborhood April 2015

April 3rd, 2015

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

In preparation for a City of Minneapolis road reconstruction project on 26th Avenue N., Michels Corporation, an authorized CenterPoint Energy contractor, will be working on valve pits along Aldrich Avenue N., between 25th Avenue N. and along 26th Avenue N., just east of Lyndale Avenue N (see map for detail). Construction is expected to begin in April 2015 and will require approximately seven weeks to complete the work. We will restore the areas affected by our construction in compliance with all applicable federal, state and local regulations.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 140 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas and how to use it safely and efficiently. CenterPoint Energy provides information for you to learn how to be safe around natural gas pipelines at www.centerpointenergy.com/besafe.

To learn more about this project or to sign up for periodic construction updates, please visit our Construction Zone website at: www.centerpointenergy.com/construction. In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline: 612-321-5329 or our Communications Specialist, Ashley Osteraas: 612-321-5546. Please reference the 26th Avenue N. project or number 66620228 when calling the Information Hotline.

We appreciate your business and look forward to continuing to serve you.
