## NOTICE: CenterPoint Energy to begin upgrading natural gas pipelines in your neighborhood in early May 2016

*Text-to-subscribe for updates regarding this construction project by sending **CNP 54STREETW** to **468311***

- In preparation for a City of Minneapolis road reconstruction project, Michels Corporation, an authorized CenterPoint Energy contractor, will upgrade 5,000 feet of 24-inch natural gas distribution pipe along 54<sup>th</sup> Street W., from Penn Avenue S. to just west of Lyndale Avenue S. and along 52<sup>nd</sup> Street W., from Morgan Avenue S. to Humboldt Avenue S.
- CenterPoint Energy's construction is anticipated to begin the week of May 9, 2016 and will require approximately four months to complete the work.
- For the first month, crews will be working at each intersection along 54<sup>th</sup> Street W., working on one intersection per day. After intersection work is complete, crews will begin installing pipeline along 54<sup>th</sup> Street W. The road is anticipated to be closed during this phase of work. Local access will be maintained.
- For additional information or to sign up for periodic construction updates, please visit our Construction Zone website at: [www.CenterPointEnergy.com/Construction](http://www.CenterPointEnergy.com/Construction).

## **NOTICE: CenterPoint Energy to begin upgrading natural gas pipelines in your neighborhood in early May 2016**

April 15, 2016

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

In preparation for a City of Minneapolis road reconstruction project, Michels Corporation, an authorized CenterPoint Energy contractor, will be upgrading approximately 5,000 feet of 24-inch natural gas distribution pipe along 54<sup>th</sup> Street W., from Penn Avenue S. to just west of Lyndale Avenue S. and along 52<sup>nd</sup> Street W., from Morgan Avenue S. to Humboldt Avenue S (see map for detail). Construction is expected to begin during the week of May 9, 2016 and will require approximately four months to complete the work. Please anticipate crews to work at each intersection along 54<sup>th</sup> Street W. for the first month. Crews will then begin construction along 54<sup>th</sup> Street W. We will restore the areas affected by our construction in compliance with all applicable federal, state and local regulations.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 140 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas and how to use it safely and efficiently. CenterPoint Energy provides information for you to learn how to be safe around natural gas pipelines at [www.CenterPointEnergy.com/BeSafe](http://www.CenterPointEnergy.com/BeSafe).

**To learn more about this project or to sign up for periodic construction updates, please visit our Construction Zone website at: [www.CenterPointEnergy.com/Construction](http://www.CenterPointEnergy.com/Construction). In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline: 612-321-5369 or our Communications Specialist, Ashley Oстераas: 612-321-5546. Please reference the 54<sup>th</sup> Street W. project or number 75887041.**

We appreciate your business and look forward to continuing to serve you.

**CenterPoint Energy**
