## **NOTICE: CenterPoint Energy to begin upgrading natural gas pipelines in your neighborhood week of July 11, 2016**

June 30, 2016

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Michels Corporation, an authorized CenterPoint Energy contractor, will be installing about 5,700' of 2" and 4" natural gas distribution main in the neighborhood alleys between 8<sup>th</sup> Street NE and 3<sup>rd</sup> Street NE in Waseca, in addition to replacing 130 natural gas service lines (see map for detail). Construction is expected to begin the week of July 11, 2016, and will last approximately two and a half months. The areas disturbed by our construction activity will be restored in compliance with all federal, state and local regulations.

The affected streets will include the alleys between 8<sup>th</sup> Street NE and 3<sup>rd</sup> Street NE, and between 4<sup>th</sup> Avenue SE and 4<sup>th</sup> Avenue NE. Some lanes and sidewalks will be closed for limited times during construction. Please visit our website for status updates to find out estimated dates of completion and the progress of each road.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 140 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas and how to use it safely and efficiently.
