NOTICE DATE: January 23, 2018

NOTICE TYPE: Initial

DAY(S) AFFECTED: Currently Ongoing

SHORT DESCRIPTION: CenterPoint Energy's systems are currently rejecting 814_12 date changes and 814_08 cancels received one day prior to the scheduled date.

INTENDED AUDIENCE: All Market Participants

LONG DESCRIPTION: CenterPoint Energy's systems are currently rejecting 814_12 date changes and 814_08 cancels received one day prior to the scheduled date. CenterPoint Energy is working on a system fix to correct this issue so that 814_12 date changes and 814_08 cancels received one day prior to the date wanted will process as envisioned with the Market's approval of NPRR778. While the system fix is being developed, CenterPoint Energy will manually process the EDI transactions for date changes and cancels received one day prior to the scheduled date and provide the appropriate 814_09/814_13 Accept transactions. No CR action is required.
