SHORT DESCRIPTION: National Weather Service Heat Advisory – CenterPoint Energy Suspension of Disconnect for Non-Pay Orders.

INTENDED AUDIENCE: Retail Electric Providers

LONG DESCRIPTION: The National Weather Service has issued an additional Heat Advisory which is now in effect until 9 PM CDT on Wednesday, August 2, 2023, for the CenterPoint Energy Service Territory, which requires the implementation of an Extreme Weather Moratorium on Disconnects that began on Sunday July 30, 2023.

The National Weather Service Heat Advisory underlying this DNP moratorium covers Austin, Brazoria, Chambers, Colorado, Fort Bend, Galveston, Harris, Liberty, Matagorda, Montgomery, Waller, and Wharton Counties. As noted in Sec. 7.6.5.4 of the ERCOT Retail Market Guide, it is CNP's practice to suspend DNPs across our entire territory when the National Weather Service issues a Heat Advisory for a county within our territory.
