## Report your rebated sales

When you complete a sale for qualifying natural gas equipment, fill out an equipment rebate application form and send it in with the appropriate documentation.

Rebate applications can be found at [CenterPointEnergy.com/MNCommercialTradeAlly](https://CenterPointEnergy.com/MNCommercialTradeAlly).

## Commercial rebate processing

Download fill-and-print rebate forms at [CenterPointEnergy.com/BusinessRebates](https://CenterPointEnergy.com/BusinessRebates).

For trade ally online rebate application submission for single package vertical unit, forced-air furnace, and smart thermostats, go to [CenterPointEnergy.com/RebateScoop](https://CenterPointEnergy.com/RebateScoop) and select the online form you need.

## Ways to submit completed applications:

- MNCommercialRebates@CenterPointEnergy.com
- Commercial Rebate Processing  
CenterPoint Energy  
PO Box 59038, Minneapolis, MN 55459-0038
- Fax to: 612-321-4561

## Trade ally ID number

CenterPoint Energy assigns a six-digit trade ally ID that is used to tabulate your incentives.

This number is also used to expedite rebate processing. In order to assign your company an ID number, CenterPoint Energy requires a current copy of your W-9 to be on file. We also update W-9 files every two years in compliance with tax laws. When necessary, please complete the requested forms so you do not miss any of your incentives.

## Electronic payments

CenterPoint Energy requests banking information for all new companies and W-9 updates. This allows CenterPoint Energy electronic payment to your account. You do, however, have the choice to receive a check by mail by noting this in the required paperwork.
