- 13) Pool-related encroachments must include distances from electric and gas facilities to the edge of the pool water wall.
- 14) Current ownership information, not purchaser's names.

B.) This application must also include (if applicable to your specific request – see below for more information):

- Non-refundable application fee of \$800.00, made payable by check to Vectren.
- Should the adjustment of Vectren facilities, in the sole opinion of Vectren, be necessitated by such encroachment(s), the cost of such adjustments, plus any required engineering costs, etc., shall be paid in addition to the fees paid for this application by the requestor or owner and such costs must be paid and such adjustments completed before a Consent to Encroachment instrument will be granted.
- If any Vectren facilities require physical location, in the field, as part of the review process, an additional fee of \$250.00 per hour or a minimum fee of \$1,000.00, whichever is greater, must be paid within 10 working days of notice of said required work to be at requestor's sole cost/expense.
- If the application is approved, an additional non-refundable fee of \$500.00 must be paid within 10 working days of notice of approval.

****Please be advised that any actual adjustment of facilities or required physical location of facilities could potentially require a significantly longer processing time. ****

If Consent to Encroachment is approved, Vectren will prepare duplicate original instruments to be signed and accepted by Owner or Third Party, both originals must be returned for final execution and signature by Vectren. One original instrument will be returned to you for your files and the other will be placed of public record by Vectren.

I certify that the information provided is true and accurate, and I realize that incomplete information may delay or invalidate this application. I also acknowledge that submitting this application does not guarantee approval of my request.
